Investment segmentation

How risky is it?

The value of your investments can go down. Please see your Information Guide for further details.

Who is this fund for?

This fund may be right for a person seeking potential mostly for income and some long-term growth and who requires some capital preservation with a small tolerance for the ups and downs of the market.

How much does it cost?

1. Sales charges: There are no sales charges on the series A of Funds

Sales charge option	What you pay	How it works
Front End Sales Charge	N/A	When you invest, Assumption Life pays a commission of up to 2.3% to your advisor.
Deferred Sales Charges	N/A	N/A

2. Ongoing expenses

The management expense ratio (MER) includes the management fees and the operating expenses. You don't pay these expenses directly. They affect you because they reduce the return you get on your investment.

Fund category	MER (Annual rate as a % of the fund's value)
Series A (no-load)*	3.29

*No exit fees are applicable to any transfer or partial or full surrender.

Trailing commission

Assumption Life pays a trailing commission to your advisor of up to 2.3% of the value of your investments each year. This is for services and advice provided by your financial advisor. The trailing commission is already included in the management fee."

3. Other fees

- No fees are charged for the first 4 internal transfers made within a calendar year. A \$20 fee per transfer is charged for additional transfers.
- A transfer fee of \$50 per transfer to another financial institution is applicable to the partial or total transfer of any amount from your Assumption Life annuity contract to another financial institution regardless of whether the source of the funds is a segregated fund or a GIA.
- A \$25 fee is deducted directly from your contract, without notice, for any cheque or preauthorized debit which is not honoured by your financial institution.
- A monthly contract fee of up to \$5 may apply to a group savings plan.
